By Car:

We're nice and central so there's ample parking nearby. The two car parks we recommend are The Arcadian Centre and the Alexander Albany but you can just as easily park in the Bull Ring (from Bull Ring use instructions from Moore Street Station below).

The Arcadian – walk out through the Arcadian Centre and turn left. Follow the road as it bears round to the right until you get to a big cross-roads. Cross over the main road and then take a right up Smallbrook Queensway. Norfolk House is about 100m up on your left (you'll see Debenhams on the opposite side of the road).

Alexander Albany – as you exit on foot walk under the tunnel (Holiday Inn on your right).

Cross over the road and then head to your right. At the cross-roads turn left (don't cross over). Norfolk House is about 100m up on your left (you'll see Debenhams on the opposite side of the road).

By Train:

New Street Station – take the taxi rank exit – you will see TK Max on your right hand side as you come out. Walk past the entrance to TK Max and follow the road round to the right. Norfolk House is the next building on your right.

Moore Street Station – best option is to walk through the Bull Ring. Head for the New Street exit and follow the directions above (TK Max will be opposite you as you come out of the Bull Ring).

On Arrival at Norfolk House:

Walk through the revolving doors and head straight up the couple of steps in front of you. You'll see a big wooden door with 'eOffice' on it – head through here and ask for us at reception.
